Careers team update

Hello everyone and welcome back from the Easter holidays!

Alumni – Future First

Over the past year we have been working with Future First to build a secure online alumni portal. Now is the ideal time of year to help students to sign up. Please find attached a short presentation explaining what the portal is, why students may wish to join and how to sign up. Students can sign up online or if more convenient they can complete the attached form. Staff can then pass completed forms back to the Careers Team for inputting.

UCAS Apply 2020

The UCAS Adviser portal has changed for 2020 so we have been busy building the new site ready for it to go live in May. Don't worry though, we have also created resources and supporting materials to help staff with this. Members of the Careers Team can also be booked to come and support staff in team meetings by completing this short booking form <https://forms.gle/MuVHoahzUb4WzgmE8>.

There will also be a new set of tutorials for Level 3 Year 1 students coming soon, and a set for Access to HE students ready for September.

Don't forget students can still apply to UCAS Apply 2019 and directly to Sheffield College for HE places until June!

Enrichment

Don't forget to record all of the great enrichment activities you are doing with students in promonitor – it's really helping towards the college achieving the 8 Gatsby Benchmarks: <https://www.careersandenterprise.co.uk/schools-colleges/understand-gatsby-benchmarks>

Events & Opportunities

SAVE THE DATE

Friday 21st June The UCAS Exhibition is coming to Sheffield FlyDSA Arena. The HeppSY+ HE Engagement assistants will be organising a trip so please do get in contact if you would like to take your students with us. You can of course run a trip to this event within your faculty. This is a great way of contributing to your faculty meeting Gatsby Benchmark 7 (encounters with further and higher education).

Thursday 18th April 10.30am -2pm

Experience Law at Nottingham Trent University – sign up to reserve a place

www.ntu.ac.uk/experienceLaw

July/August placements with the Nuffield Research Placements Scheme – aimed at Y12 students on A-Level or BTEC programmes in science, technology, engineering or maths. Students will apply their scientific knowledge and skills to a real-world project

<https://www.nuffieldresearchplacements.org/>

In the meantime...

Don't forget you can contact the Careers Advice Team at any time via:
