

Tiling Apprenticeship Level 2

New for September 2017 This brand new course is for recent entrants to the sector, as well as existing employees, to progress in their career as a tiler. Join us in our newly built facilities at City campus to develop the practical hand skills and technical knowledge required to work as a professional tiler in the Construction Industry.

Quick Information

Qualification:

Date: On Application

The Diploma is assessed through unit theory tests and practical end tests carried out in the college workshop.

Assessment:

For the NVQ, assessment involves building a portfolio of evidence gathered in the workplace which demonstrates that apprentices cover the range of skills required for their qualification.

In addition, apprentices will be expected to complete initial assessments in English and Maths to ensure they are working at a suitable level in these subjects.

Level: 2

Area: Construction & Building Services

Course Code: CWITG1

About the Course

This Level 2 Apprenticeship allows you to work on a construction site or domestic and commercial premises using coloured and textured tiles to decorate the inside of buildings (i.e. kitchens, bathrooms) or working on large floor areas such as factories, shopping centres and airports to given specifications.

As part of the course you will complete the following qualifications:

- Level 2 Diploma in Wall & Floor Tiling
- Level 2 NVQ in Wall & Floor Tiling
- Functional Skills in English and Maths (if not previously achieved)

For the duration of your apprenticeship (two years) you will spend four days a week working with an employer on site, as an apprentice tiler, and the other one day per week in college building on the skills and knowledge you have learned.
