

The Sheffield College Employers

Strengthen your workforce.

Develop your people, their skills and expand your business!

If you're wondering why, as an employer it's important to upskill your staff and support them to be the best employee they can be, here are just a few of the benefits:

- Improve the skills of your existing workforce
- Increase staff retention and loyalty
- Enhanced productivity and effectiveness
- More opportunity to hire and promote from within your business
- There are a wide range of different loans and funding options available to support training in the workplace

We have a range of courses starting in September 2017 for your employees. Check out the next page for details...
