

THE BUILDING BLOCK

Would you like to retrain as a construction professional in Sheffield?

- Bricklaying • Roofing • Joinery • Plumbing • Sealants
- Electrical • Plastering • Painting and Decorating

**CONSTRUCTION
SKILLS FUND**

FUNDED TRAINING FOR CONSTRUCTION JOBS

Over the next 10 years, Sheffield is embarking on an ambitious home-building scheme that will see the construction of more 10,000 new homes across the city. In order to meet the anticipated demand for skills, hundreds of new jobs will be created in the local construction sector.

The Construction Skills Fund trains local people through 'The Building Block' on-site at the Manor Boot housing development in S2 to gain skills, undertake work experience and enter sustained employment. If you'd like the opportunity to retrain and work as a construction professional, get in touch.

How the programme works

Two-week construction training 'crash course' in one or two of the following:

Bricklaying, Electrical, Plastering, Plumbing, Sealants, Roofing, Joinery or Painting and Decorating, plus CSCS Card training, relevant CPCS site tickets and site-specific skills

Two-week work experience placement on-site

If training is successful, the opportunity to work alongside subcontractors on the Manor new-build site to learn more about construction work

Job placements in construction

If work experience is successful, support in gaining sustained employment
