About the Course

Leisure Operations apprentices are either:

- Based with an employer 4 days a week, and attend college 1 day a week (on a day release basis) for knowledge, portfolio building and assessments.
- Alternatively apprentices can complete this framework in the work-place supported by a tutor and by accessing online resources.

The college has links with a range of employers and will try to place you in employment, however this cannot be guaranteed so we advise you to look for your own employer.
