

TAST ER DAY.

To register email - admissions@sheffcol.ac.uk with:

- Name
- Session/s
- Special requirements/support needs (if required)
- Year group and school

AM 9.30 - 12.30

max 16 per session.

Photography –
Scott Huskin

Do you have a passion for photography? Come and explore our professionally equipped photography studios and see what is required to become a top Photographer. The session will offer an introduction to the studio and allow you to shoot professional standard images which will be used to construct a magazine editorial.

Drama –
Tom Rose

Do you aspire to become a film star or act on the stage? Here's your chance. Come and explore our wonderful theatre and performance spaces and work on a short practical drama session. This will include drama and warm-ups both vocal and physical, followed by some improvisatory and script performance exercises.

Dance –
Suzie Dyson

Do you have what it takes to be a Professional Dancer? This session requires stamina! You will take part in a dance fitness session followed by a typical contemporary dance class and choreography activity based upon movements learned in class. **Please note that participants need to bring practical dance kit (no outdoor footwear) and plenty of water.**

TUES 21st FEB 2017
Media + Performing Arts

PM 13.00 - 16.30

max 16 per session.

Music –
Daniel Whitehouse

Are you interested in the music industry? Come and experience our professionally equipped music facilities and work as part of an ensemble to help write and arrange an original piece of music which you will record and help mix and master in our state-of-the-art recording studios.

•please bring a packed lunch if you are doing a morning + afternoon session. If you have any special requirements or learning support needs, please let us know.

The
Sheffield
College

TV/Film/Journalism –
Luke Peitnik

Have you ever dreamt of being a TV Presenter, Producer, Camera Operator, Vision Mixer or Floor Manager? This short interactive session will give you the opportunity to see how a TV show is made. You will work in teams to research, write and produce TV productions in our state-of-the-art TV studio.
