

# Our Vision: Transforming lives through learning

## Strategic Aims

### Our Way

We will continuously improve

We will be passionate about  
doing the right thing

We will invest in our people and resources

We will transform what we do  
through technology

We will achieve sustainable growth

### Our Society and Economy

We will be integral to the Sheffield City  
Region's economic growth plans

We will contribute to social cohesion

### The Learning Journey

We will provide an inspirational and  
high quality learning experience

We will prepare our learners for work

## Our Values
