

Pathway to Personal Progress

Overview

The Pathway to Personal Progress has been designed as a supported first step to post-16 education and into a college setting. It will take 1–2 years to complete.

The objective of this pathway is to recognise personal growth and engagement in learning. It will address the needs of individuals working at Entry 1 or below, in particular those individuals with learning difficulties and disabilities.

Each qualification within the Pathway to Personal Progress ensures that all individuals are given the same opportunities to access appropriate and relevant education to improve their life chances.

What will be studied

Developing communication skills

Developing self-awareness: All about me

Rights and responsibilities: Everybody matters

Encountering experiences: Being a part of things

Engaging with the world around you: People

Engaging with the world around you: Events

How will individuals be assessed?

A continuum allows individuals to demonstrate very small steps of progress and enables providers to differentiate between the levels of achievement of individuals working within Entry 1.

Individuals may need more than one year of study before they are ready to progress to Independent Living or exiting to social care.

What can individuals do after?

Individuals may progress onto Independent Living or transition to programmes at Hillsborough or City Campus.

Individuals may exit to social care.
